

Sports Series Rules 2016

Prepared by: Brett Read

Sporting Director 14 January 2016

Reviewed and confirmed with club members at the launch meeting for the Sports Series on 27 January 2016.

PREFACE

The sports series is open to all financial members of the club and is intended to provide an opportunity for club members to enjoy the high performance of their cars and to explore these capabilities in a controlled and managed environment. There is no "panel to panel" racing in the series, it is just you and your car against the clock in a variety of events which includes track sprints, hill climbs and motorkhanas.

The standard of driving and the quality of the competition has grown over many years. The series has been designed in a way that allows drivers of all skill levels to participate in the one event. Fundamental to our club competition is the encouragement of novice drivers and those with limited competition experience. We also have several drivers who compete in other forms of motorsport including circuit racing and tarmac rally. We encourage the open sharing of knowledge and experience to continue to improve the overall standard of our competition.

The competition is divided into classes which splits the various Porsche models into classes based on power to weight ratios. The ratios are calculated using the weight and kilowatt figures for the various Porsche models in an attempt to award points for similar cars over the same course. The weight and BHP figures are as provided by the magazine "GT Purely Porsche" and are converted to kilowatts using the conversion: 1 BHP = 0.7355 Kilowatts.

Vehicles are listed in model order, starting with the numerous 911 models/derivatives. please advise if any weight or BHP figures require adjustment, or your model is not represented. we shall amend/adjust as required.

In addition to the classes competition there is also the outright competition which recognizes the faster driver/car in the overall competition.

1. SPORTS SERIES COMPETITION

The competition is divided into an outright and vehicle class competition.

The classes are calculated using the weight and kilowatt figures for the various Porsche models in an attempt to award points for vehicles of similar performance over the same course. The weight and BHP figures are as provided by the magazine "GT Purely Porsche" and are converted to kilowatts using the conversion: 1 BHP = 0.7355 Kilowatts. See Appendix 1.

1.1 CLASS RATIOS (POWER/WEIGHT)

Cars are categorized into the following classes:

| Class | Power/Weight | Power/Weight | Comments |
|-----------|--------------|--------------|-----------------------------|
| | Min | Max | |
| Open Post | 0.00 | 4.99 | Includes all non-registered |
| | | | race cars, CAMS Log |
| | | | booked cars post 993 and |
| | | | high performance road cars |
| | | | i.e. with a weight/power of |
| | | | < 5.00 |
| Open Pre | 5.00 | 5.49 | Includes all non-registered |
| | | | race cars, CAMS Log |
| | | | booked cars 993 and pre |
| Class GT | 5.00 | 5.49 | Road cars that have a |
| | | | weight/power ratio less |
| | | | than 5.00 are in Open Post |
| | | | class |
| Class A | 5.50 | 6.69 | |
| Class B | 6.70 | 7.50 | |
| Class C | 7.52 | 8.39 | Includes all 911 SC Models |
| Class D | >8.40 | | |

Note: The final decision as to which class the car competes in will be at the discretion of the club committee, in line with these rules and the overall "spirit of the series".

1.2 NUMBER OF ROUNDS

The series is run over ten (10) rounds in total, and your best six rounds count towards the Outright and the Club Championship awards. Your best eight rounds count for the Class Champion awards (highest points in each class).

1.3 ELIGIBILITY

The Club Competition will be open only to financial members of the Porsche Club of WA driving any of the Porsche models listed in Appendix 1 to these Rules or as otherwise specified by the Club Committee.

Members may drive vehicles of another make, but these are not eligible for awards in the competition. The one exception to this rule is the Women's Plate. Acceptance of non-Porsche entries shall be at the discretion of the Club Committee.

Female club members are automatically eligible for the Women's Plate competition and do not have to be driving a Porsche. If they are driving a Porsche, they are also automatically competing in the other divisions of the club competition. Non-Porsche cars will still be classed as per their power to weight ratio and will be awarded points towards the Women's Plate only based on where they notionally placed in that class on the day.

1.4 CLASS CHAMPION

The Class Champion award recognises the best driver in a class. i.e. the driver that scores the highest points in their best eight (8) rounds.

Points are awarded depending on your place in your <u>class</u> and are shown in the table below. If there are 20 competitors, 1st place would receive 20 points, 2nd 18 points, 3rd 16 points etc. All competitors from 11th position in class onwards shall be awarded five (5) points. as below:

Class and Club Championship Scoring

| | 1 0 |
|--------------------------|----------------|
| Place in Class | Points Awarded |
| 1 st | 20 |
| 2 nd | 18 |
| 3 rd | 16 |
| 4 th | 14 |
| 5 th | 12 |
| 6 th | 10 |
| 7 th | 9 |
| 8 th | 8 |
| 9 th | 7 |
| 10 th | 6 |
| 11 th | 5 |
| 12 th onwards | 5 |

Where there are less than 3 starters in a class, points are awarded as follows

| NUMBER OF STARTERS | CLASS PLACE | POINTS AWARDED |
|--------------------|-----------------|----------------|
| IN CLASS = 2 | 1 st | 18 |
| | 2 nd | 16 |
| NUMBER OF STARTERS | CLASS PLACE | POINTS AWARDED |
| IN CLASS = 1 | 1 st | 16 |

Note: If a lap record exists for any class and any competitor within that class breaks that record, and that class has less than three competitors, the points for that competitor shall be as if there were three or more competitors in that class.

1.5 CLUB CHAMPIONSHIP

The Club Championship award recognises the best driver (highest points scorer from the Class Competition) in the overall class competition. It is awarded to the driver that scored the most points in their best six (6) rounds in their class.

1.6 WOMEN'S CHAMPIONSHIP (WOMEN'S PLATE)

The Women's Championship award recognises the best female driver (highest points scorer based on the Class Competition) in the overall class competition. It is awarded to the female driver that scored the most points in their best six (6) rounds in their class. Competitors in this competition do not have to be driving a Porsche.

1.7 OUTRIGHT CHAMPIONSHIP

The outright championship award recognises the fastest driver/car in the competition. Points are awarded on a descending scale with a maximum of 20 points available for each round. All competitors from 16th place onwards receive 5 points. For example, if there are 10 competitors, 1st place would receive 20 points and 10th place would receive 11 points. If there are more than 20 competitors, 1st place would receive 20 points, 2nd 19 points, 3rd 18 points etc. down to 16th place and onwards receiving 5 points.

| Outright Championship Points Table | | | | | | | | | | | | | | | | | |
|------------------------------------|-----------------|-----------------|-----------------|-----------------|-----------------|-----------------|-----------------|-----------------|-----------------|------------------|------------------|------------------|------------------|------------------|------------------|------------------|------------------|
| Place | 1 st | 2 nd | 3 rd | 4 th | 5 th | 6 th | 7 th | 8 th | 9 th | 10 th | 11 th | 12 th | 13 th | 14 th | 15 th | 16 th | 17 th |
| Points | 20 | 19 | 18 | 17 | 16 | 15 | 14 | 13 | 12 | 11 | 10 | 9 | 8 | 7 | 6 | 5 | 5 |
| Awarded | | | | | | | | | | | | | | | | | |

1.8 POINTS AWARDED/CHAMPIONSHIP LADDER

Club, women's plate and outright championship points will be calculated after the event and the results posted on the club website as soon as they are available. An outright, women's plate and a club championship ladder will be provided. The final two rounds will be withheld, until the presentation at the annual Christmas party.

1.9 REGISTERING FOR THE SPORTS SERIES

Competitors who enter the Sports Series and compete in the Club Competition must submit the Vehicle Registration Form (Appendix 2) at the beginning of the competition year, or prior to their first event. Points will not be awarded to competitors who have not submitted this form prior to competing.

1.10 MODIFIED VEHICLES

If any vehicle competing in other than Open class differs from the standard specification of the model designated in its registration form, then such differences must be clearly identified in writing on the registration form or have subsequently been notified in writing to the Sporting Director. The Club Committee will verify eligibility in any class. Any differences may cause the vehicle to be reclassified. In principle improvements to the brakes and suspension that do not modify the attachment points are allowed. Modifications that include modification to the suspension pickup points or geometry may put the car into

a higher class. Engine modifications are allowed but BHP gains need to be factored into the power/weight ratio.

2. SAFETY

The Porsche Club of WA strongly recommends the best safety gear/equipment available. As a minimum, you will require non-flammable clothing from ankles to wrists, suitable

covered footwear, an "AS1698" approved helmet and in open cars a visor or goggles. The use of HANS devices while not compulsory, is recommended.

Your vehicle must have a securely fastened AS1841 approved 1kg fire extinguisher and a 150mm blue triangle which indicates the position of the battery, as illustrated opposite.

3. AWARDS

The club has the following awards, which are open to all competitors/club members.

3.1 CLASS CHAMPION AWARDS

Awarded to the competitor who accumulated the highest number of points in their class. This award is scored over eight events i.e. two rounds are dropped from the total points scored if all 10 rounds were attended. At least one of the rounds counted must either be at Barbagallo or Collie Circuits. Trophies to be presented to the 1st, 2nd and 3rd placed competitors for Class Open Pre, Class Open Post, Class GT, Class A, Class B, Class C and Class D competitors with the highest accumulated points scored.

In the event of a tie then additional rounds will be counted to break the tie. For example, the ninth round will be counted and the highest points scorer wins, if there is still a tie then the tenth round is counted to break the tie. If all ten rounds are counted and there is still a tie then both drivers will be awarded equal placing e.g. equal first, 2nd or 3rd. If we have equal winners for a place e.g. 1st they both receive a 1st place trophy and a 2nd and 3rd place trophy is still awarded.

3.2 CLUB CHAMPIONSHIP AWARD - PERPETUAL TROPHY

Awarded to the competitor who accumulated the highest number of class points, from their best six rounds. At least one of the rounds counted must either be at Barbagallo or Collie Circuits. Trophies to be presented to the 1st, 2nd and 3rd placed competitors, including the perpetual trophy to the 1st placed competitor.

In the event of a tie then additional rounds will be counted to break the tie. For example, the seventh round will be counted and the highest points scorer wins, if there is still a tie then the eight round is counted, then the ninth and tenth to break the tie. If all ten rounds are counted and there is still a tie then both drivers will be awarded equal placing e.g. equal first, 2nd or 3rd. If we have equal winners for a place e.g. 1st they both receive a 1st place trophy and a 2nd and 3rd place trophy is still awarded.

3.3 WOMEN'S CHAMPIONSHIP (WOMEN'S PLATE) AWARD

Awarded to the female competitor who accumulated the highest number of class points, from their best six rounds (same as the Club Champion system). At least one of the rounds counted must either be at Barbagallo or Collie Circuits. Trophies to be presented to the 1st placed competitor.

In the event of a tie then additional rounds will be counted to break the tie. For example, the seventh round will be counted and the highest points scorer wins, if there is still a tie then the eight round is counted, then the ninth and tenth to break the tie. If all ten rounds are counted and there is still a tie then both drivers will be awarded equal placing e.g. equal first.

3.4 OUTRIGHT CHAMPION AWARD - PERPETUAL TROPHY

Awarded to the competitor who accumulated the highest number of points based on outright placings (fastest car on the day), from their best six rounds of the series. At least one of the rounds counted must either be either at Barbagallo or Collie Circuits. Trophies to be presented to the 1st, 2nd and 3rd placed competitors, including the perpetual Trophy to the 1st placed competitor.

In the event of a tie then additional rounds will be counted to break the tie. For example, the seventh round will be counted and the highest points scorer wins, if there is still a tie then the eight round is counted, then the ninth and tenth to break the tie. If all ten rounds are counted and there is still a tie then both drivers will be awarded equal placing e.g. equal first, 2nd or 3rd. If we have equal winners for a place e.g. 1st they both receive a 1st place trophy and a 2nd and 3rd place trophy is still awarded.

3.5 ROOKIE AWARD

The competitors who are competing for the first time, shall be eligible for the rookie award. The award shall be presented to the highest rookie pointscore in the club championship.

3.6 SPIRIT OF THE SERIES AWARD

This award is presented to the best clubman/clubwoman for their outstanding contribution above and beyond normal participation in the competition.

3.7 PRESIDENTS AWARD

Presented to any club member or organization in recognition of showing an outstanding level of club service, support or attitude.
